! Aquatic Lesson Registration Guidelines !

To ensure that your child gets the most out of their swim lessons, below are some helpful suggestions for swim lesson registration.

Registration:

- Based on American Red Cross suggestions, each child must be the required minimum/maximum age on the first day of each session. **Unfortunately the age requirement is not negotiable.**
- For the first session your child participates in, we recommend enrollment in the last swim level completed in Summer 2009. This serves as a great refresher after almost one year out of the water.
- Please make sure your child is registered for the correct level. If your child is registered for the incorrect level we cannot guarantee space in other levels.
- If there is an open spot in a class, the waitlist will be contacted first before allowing any other children into the class. We strongly urge you to make sure your child is signed up for the appropriate level.
- Please register your child for only one class during the session to allow others the opportunity to participate in the swim lesson program. Signing up for back to back lessons throughout the day can be very tiresome on your child. **Registration in consecutive classes is not permitted.**

Swim Lessons:

- Please be prepared to present a copy of your receipt on the first day of class to the Pool Supervisor/Assistant Pool Supervisor.
- During all swim lessons, please direct all questions regarding registration and swim lessons to the Pool Supervisor or Assistant Pool Supervisor.
- If your child advances to a higher swim level, transfers may only be made if: 1.) Space is available in the class/session, 2.) The certificate proving the child passed the lower level is presented.
- All transfers must be made at the Community Center. **Registrations or transfers are not accepted at the pool.**
- If your child does not attend the first day of class, you will be contacted to check whether or not your child will be attending the rest of the session. If your child is no longer able to attend, the waitlist will be contacted to fill the spot.
- Attention Financial Assistance Participants (FAP):** If your child does not attend the first day of class, your child will be automatically withdrawn from the class. The spot will be filled from the waitlist. Please refer to page 2 for more FAP information.

Need help registering your child(ren) for the correct level?

For information on skills needed to enter or pass a level, please come into the Community Center or visit our website at [www.mountainview.gov](http://www.mountainview.gov), under *Library, Arts, Parks & Rec* select *Recreation Programs and Services*, click *Aquatics*.

If you need assistance registering your child for the correct level or if you have any questions regarding our swim lesson program, an aquatics staff member will be at the Community Center Monday–Friday from 3:00 – 4:00 p.m. from March 8 - March 19. If you need assistance or have questions after March 19, please call (650) 903-6405.
